Touch Author and Historian

The History of the Secondary Schools saw the inaugural Australian School Sport National Championships, played at the Belconnen Playing Fields of the Belconnen Soccer Club in Canberra in 1987.

Primary Schools touch began with the Primary Girls evolving as a representative sport in Queensland in the early 90's. In 1995 an Interstate Exchange with the Northern Territory in the Peninsula Region of Queensland commences a three years series of games that had now blossomed to the National arena.

In 2001, School Sport Australia conducted the inaugural Combined Touch Tournament in Darwin. This involved both Primary girls and Secondary students competing under the one competition banner at the same event. Then finally, in 2002, 12 years boys were also able to compete at an interstate level.
