The European 'Eurostar's' Team was built to fill a gap in the 2019 Touch World Cup Women's 35 division. The European Federation of Touch instigated the concept originally and will also be participating at the European Championships in 2020..

Before this, there's been a junior 'European Select' playing at the Junior Touch Cup to allow those players from nations with not enough juniors to create a full team, to participate in the event. This didn't happen in 2019 as a fully fledged Junior Touch Championships was inaugurated.
