History of Try Scorers

NATIONAL YOUTH CHAMPIONSHIPS

TRY SCORERS

Cary Thompson
Touch Historian

The history of the Under 18's goes back to 1987 when the Australian Secondary Schools Championships was first played in Canberra combining the Under 16's and Under 18's titles at the one event.

This continued until 1993 when the event became a series between Queensland State Secondary Schools, NSW Combined Schools, NSW Combined Catholic Colleges and New Zealand Schools and continued until 1996.

That year the Under 18's Championships incorporated the National Touch League franchise holders and the competition expanded into what it is today the premier junior Touch Tournaments in the World

In 2008 the Under 18's were combine with the Under 20's to create the National Youth Championships. In 2016 the event hosted the Alliance Cup and Schools in the 9/10 Age Divisions.

In 2020 because of the Covid19 Pandemic the National Youth Championships were confined to Queensland Based Community teams and encompassed Divisions from Under 18 to Under 12 all of which are recorded in this collection of Youth Touch History.

In 2022 the competition opened up again to all States, Pemics and Schools

Attached is the history of Touchdown scored at the events from 1998 to 2022
