**INTERNATIONAL  
RESULTS**

The first Swedish club emerged in Stockholm in 2013 when 2 friends who wanted to keep playing rugby through the winter stumbled upon a touch rugby video and decided to give it a go.

Touch Stockholm began playing tournaments all over Europe to gain experience to bring it back to Sweden where the players, coaches, referees could benefit from the experience and commence to increase their skill levels.

Sweden's first foray onto the International area was when they sent an Under 15 Mixed Team to the Junior European Championships in Dublin in 2017. Then the following year a Mixed Open Team represented Sweden at the European Championships in Nottingham. Attached is the History of Swedish Touch at FIT Events
