HEAD TO HEAD RESULTS

Cary Thompson

Touch Author and Historian

The history of the Under 18's goes back to 1987 when the Australian Secondary Schools Championships was first played in Canberra combining the Under 16's and Under 18's titles at the one event.

This continued until 1993 when the event became a series between Queensland State Secondary Schools, NSW Combined Schools, NSW Combined Catholic Colleges and New Zealand Schools and continued until 1996.

That year the Under 18's Championships incorporated the National Touch League franchise holders and the competition expanded into what it is today the premier Junior Touch Tournaments in the World.

In 2020 the Covid-19 Pandemic caused the NYC to be confined to the State of Queensland with only Permits in that region attending. No school team attended. In 2021 two states not lockdown by Covid joined the event. In 2022 the competition was opened to all States, Permits and Schools. This document contains the Head to Head results of all games played between all these teams
