This document contains the representative history of the participants at the European Championships. It starts in 2004 as the prior years information is not available unless individual countries have kept their own records.

The data is only relevant to the Euros as many countries have representatives who have played in other International Tournaments such as the World Cup and Test matches. There will be errors, omissions, name changes etc.

To ensure the accuracy of the document could you please advise of any such errors to me at - caryandgwenda@bigpond.com
