NATIONAL UNDER 18's CHAMPIONSHIPS

REPRESENTATIVE PLAYERS

Cary Thompson
Touch Author and Historian

The history of the Under 18's goes back to 1987 when the Australian Secondary Schools Championships was first played in Canberra combining the Under 16's and Under 18's titles at the one event.

This continued until 1993 when the event became a series between Queensland State Secondary Schools, NSW Combined Schools, NSW Combined Catholic Colleges and New Zealand Schools and continued until 1996.

That year the Under 18's Championships incorporated the National Touch League franchise holders and the competition expanded into what it is today the premier junior Touch Tournaments in the World

In 2008 the Under 18's were combine with the Under 20's to create the National Youth Championships. In 2020 the Covid-19 Pandemic caused governments to close borders and the Schools events were cancelled across Australia. TFA created a National Youth Championships based in Queensland and was only attended by Community Based teams from that State

In 2022 the championships opened up again to all Permits States and schools across Australia. Attached is the history of players who have represented community teams at the events from 1996 to 2022
