**Cary Thompson
Touch Historian**

The Australian Secondary Schools Touch Association in 2020 cancelled all school Touch sport due to Covid-19. This extended into 2021. Also due to the virus the Queensland State Government closed its borders and would not allow people from outside of the State to participate in sport unless they isolated for two week prior to an event.

Consequently Touch Football Australia conducted the 2020 and 2021 Youth Championships in Queensland with only that States community based teams participating and two state teams in 2021
