

# **Vale: Shaun JONES**

## **5 Oct 1985 – 11 Mar 2004**

Shaun Jones began his Touch career in Karratha, representing his local club and the North West region at North West Championships and State Championships. He went on to represent Western Australia with the 18 & Under Boys team in 2001, 2002 and 2003.

Shaun represented Western Australia with the 18 & Under Boys team for three consecutive years, making his first tour in 2001. In those years, Shaun was always an important member of the touring group – not only for his on-field efforts, but also for his contribution to the success of all aspects of the tour.

At the end of each tour, Shaun would always express a genuine appreciation for the opportunity to represent Western Australia at the National Championships. Through the tour, Shaun was always able to apply himself to the task at hand – whether that was focus before a match, or a timely practical joke back at the team accommodation – these moments made the trip memorable for all on tour.
