NSW COMBINED HIGH SCHOOLS

Phil Stewart Memorial Trophy

The **PHIL STEWART MEMORIAL TROPHY** is awarded annually to the winning girls school team at the state-wide competition finals conducted by The NSW Combined High Schools Sports Association.

Phil, a teacher from Macksville High School, was instrumental in developing touch football particularly in the girl's division. Unfortunately, he tragically passed away in a motor vehicle accident in 2003 and a shield was struck to honour his contribution to the educational and touch football communities throughout NSW.
