INTERNATIONAL

RESULTS

This document traces the History of the Japanese Touch Football Association and the results it has achieved at F.I.T. sanctioned events.

Whilst playing international touch games at some endorsed F.I.T events, some records are sketchy or were not kept and do not form part of the official History for Japan.

All credit must go to Shusaku KUCHIMOTO who set the ball roiling for the establishment of the sport in Japan. He was the driving force in establish the sport in that country and then gaining International recognition.

Originally based at Wasada University it quickly spread to pockets around the Tokyo region. On 9th November 1990 Japan became the 8th member of the Federation of International Touch

Committees were formed and Strategic planning ensured the games' future. They arranged coaching clinics for their National teams by experienced Australian coaches prior to them attending the World Cup in Auckland in 2001.

The highlight of their international career was a Bronze Medal for their Mixed team at the World Cup in 2003
