

IRELAND

**INTERNATIONAL
RESULTS**

This document traces the History of the Irish Touch Association and the results it has achieved at F.I.T. sanctioned events. Whilst playing international touch games at other endorsed F.I.T events, some records are sketchy or were not kept and do not form part of the official History for Ireland.

Ray Billington from the Mullingar Rugby Football Club approached the Federation in 2002 for Membership and Ireland became the 12th Member of F.I.T .on 1st May 2003. Unfortunately the membership lapsed and it wasn't until Ian Bruce Deans formed the Ireland Touch Rugby Association that a movement was started to regain International registration.

Although a form of the spot had been played for over 20 years it was only through the efforts of Laim Carroll and Rory Hickey that an over 40 Mens team were invited to compete at the 2006 European Championships in Scotland.

It was another two years before Ireland became a Member of F.I.T. and it was not until 2010 did they appear at another international event.
