Referees are an integral part of Touch Football and the history of their achievements needs recording as much as the players and other participants.

The first recorded appointments was at the Masters Test Series in New Zealand in April 1976. The first World Cup appointments were at the inaugural event in 1988 coinciding with the Test series between Canada, New Zealand and Australia. Not all international events have been recorded simply because no one bothered to keep the records. The 1991 World Cup and the 2005 All Nations (both in New Zealand) were events where records were not kept. Such is the bane of Amateur sport.

New additions to the appointments are the referees who officiated at the Inaugural China v Hong Kong Test series in late 2014 and early 2015.

Many events have been included in this documents and if there are omissions or errors then please contact me at:
