The Australian Secondary Schools Touch Association in 2020 cancelled all school Touch sport due to Covid-19. This extended into 2021. Also due to the virus the Queensland State Government closed its borders and would not allow people from outside of the State to participate in sport unless they isolated for two week prior to an event.

Consequently Touch Football Australia conducted the 2020 and 2021 Youth Championships in Queensland with only that States community based teams participating alongside the Northern Territory and Tasmania in 2021.

Free from border restrictions, a record 111 teams participated in the 30th edition of the championships held at the Sunshine Coast Stadium since 2013. The competition has grown from 2 under 18 divisions and 36 teams in 2013 to featuring 8 age and gender divisions in 2022. This year sees the return of school system teams from a three-year COVID forced hiatus and for the first time since 2011 regional teams from New South Wales will compete at the event.
