

TOKELAU

INTERNATIONAL

RESULTS

This document traces the History of the Tokelau Touch Association and the results it has achieved at F.I.T. sanctioned events. Whilst playing international touch games at some endorsed F.I.T events, some records are sketchy or were not kept and do not form part of the official History for Tokelau.

Tokelau first appeared on the International scene when loane losua applied to have the tiny Pacific Island join the Federation of International Touch. On 1st December 1991 they became the tenth member of the Federation and loane and Foai Foai took three teams to the World Cup in Auckland that year.

Contact was lost with the group but they appeared unannounced at the 1995 World Cup in Hawaii but unfortunately were banned from competing. Apparently some elders accompanying them advised the group that their presence would force officials to let them enter the competition despite not being a member any longer and owing the Federation years of Affiliation fees.

It was a disturbing situation and Federation officials received threatening phone calls during the event. Most of this was forgotten in 2007 when they applied to compete at the South Pacific Championships in Samoa. Once again after their attendance they were no longer in communication with the Federation. It is sad that they have disappeared from the Touch fraternity
