

NETHERLANDS

INTERNATIONAL

RESULTS

This document traces the History of the Netherland Touch Football Association and the results it has achieved at F.I.T. sanctioned events.

Whilst playing international touch games at some *endorsed* F.I.T events, some records are sketchy or were not kept and do not form part of the official History for Netherlands.

Michiel Smith from Rotterdam approached the Federation for Holland to compete in the 2006 European Championships in Scotland. Touch was played in isolated regions of the Kingdom of the Netherlands for some time with Richard Voorburg and Michiel being the early pioneers of the sport.

Mike Berry from Amsterdam in 2008 headed the largest Touch group in the Netherlands and sought with others to bring the sport under the one National Banner. In April 2010 The Netherlands became an Associate Member Nation of F.I.T.

Besides the 2006 European Championships they competed also in 2008, 2010 and 2012 while the 2011 World Cup was the pinnacle of their International representation
