**INTERNATIONAL
RESULTS**

In the early 90's Mark Wilkes the then President of both the English and Great Britain Touch Associations travelled throughout the UK establishing Touch in a formal capacity in all the home countries. Sean Lineen and Viki Mendelsohn were the drivers of establishing Touch competition with the Scottish boundaries.

With Sean, Vicki and Gordon McEwen the country developed pockets of Touch into organised competitions and set up infrastructures, referee and coaching clinics.

In 1998 Gordon applied for Membership to the Federation of International Touch and on 14th April the following year Scotland became the 21st member of F.I.T.

In 1999 they attended their first World Cup in Sydney by sending a Mixed team down under. They have attended every European Championship and featured in the medal tally six out of the nine occasions having hosted the event twice.

The highlight of their International career was the hosting of the 2011 World Cup where a record 26 Countries attended.
