# HONIARA

Honiara, the national capital and the proud hosts of the next year's Pacific Games is set to come alive come November, with plans now in motion to hold a One-Year-To-Go before the Games event here in Honiara, Solomon Islands.

**DC Park, Lungga, Solomon Islands**  
**27th November - 2nd December**

**TOUCH COMPETITION**

The 2023 edition of the Pacific Games took place in the Solomon Islands from 19th November to 2nd December 2023, and will mark the first time the country hosted Oceania's continental Games in its 17th edition. While the Opening Ceremony was set for 19th November, competition begins two days prior on 17th November in four sports.

Twenty-four teams representing the region's countries and territories competed in 346 events across 27 sports disciplines – 22 Pacific Games Council members, plus invited teams Australia and New Zealand. The latter two did not compete at the Pacific Games until 2015 due to concerns that they would dominate events; both sporting giants still refrain from sending full teams to the Pacific Games for this reason.

This will mark the second time in the history of Solomon Islands to host the Games, with its first experience in 1981 hosting the Mini Pacific Games.

These results and statistics are the continuation of the History of this Confederation
